To
The Hon'ble Minister
J Appaji Gowda Esq B A (Hons)
Minister for Revenue Government of Mysore
Bangalore.

Respected Sir,

May it please your Hon'ble Minister to kindly peruse the following grievances of the Scheduled classes of Mallalli Town Nardya District and favour us with sympathetic orders

Adverting to our many petitions to the Ministers and the Revenue Commissioner regarding the issue of stay order to stop the construction of Muslim houses on survey No 577 of Malavalli Town we beg of your honour to bring to your Honour's benevolent notice that we are experiencing frequent troubles at the times of the local Muslim brethren and our legitimate rights are at stake The local muslims take undue advantage in hindering us in our religious and social freedoms

We earnestly hope to strengthen these by a few concrete glaring instances of Muslims interference upon our social and religious rights

Sometime before, the Muslims appealed to the Dewan then Sir Mirza Ismail Sahib to remove our locality from its place on the ground that a mosque was near our locality. But the Dewan Sahib kindly told them that the mosque itself would be shifted to a calmer place and in deed, our marriage procession on the main road was stopped by the muslims and a deviation road was made by the authorities and connected to the Bluff- madur road to enable it and our social and religious processions are passing along the new road now.

On one occasion, when late His Highness passed through our town to Tungabhadra Bridge we erected a pandal to indicate our loyalty to our Ruler. But we were

again obstructed to erect the portal nearly four times and consequently we had,to erect it elsewhere to display our sense of loyalty

It is needless to multiply the numerous instances here how they have been attempting to occupy sites on the road sides of the main road and also the new road. Then we shall be still more helpless as much trouble is anticipated by their interference afterwards We appealed to the present Deputy Commissioner, Bandya District regarding the worst position But no concrete and amicable decision resulted . On the other hand, a few Muslim youths rushed into our locality with knives not even half an hour after the departure of the Deputy Commissioner Bandya District They freely moved about threatening the inhabitants of the locality to do them death. This was referred to the local peace committee and the Muslims accepted afterwards that they erred and would settle themselves to the peaceful social life

Hence we earnestly solicit your honour to issue the stay order to stop this muslim migration to the new road side along which our social and religious activities are confined and prevent muslims interference once for all.

We beg to remain

The President Town Municipal Council Kolavalli, has stated that no objections were preferred after the publication of the Preliminary Notification and the Land Acquisition Officer was therefore ordered to take up further acquisition proceedings The Municipal Council have resolved at their meeting held on 15-12-1946, that an extent of 1-2 guntas of land acquired for the Muslim Extension may be disposed of by public auction after dividing the area into sites measuring 40' x 60'

A mutchalika has also been executed by the Muslims stating that they have no objection in the Adikaristaks' - taking Processions in the new road connecting the colony with Kaddur Bluff road which lies in S No 577 and that they would

would hold themselves responsible should any disturbance occur in this connection

In these circumstances the President Town Munic Council Malavalli has recommended the withdrawal of the St Order and has requested permission for the disposal of the in public auction

I agree with the above recommendation and request kindly to withdraw the stay order and direct the disposal of sites in public auction This area is nearer to the Muslim being adjacent to Muslim grave yard in the side and the Mus locality in the other There is also another place meant of the Left Hand Adikarnatakas which is contiguous to ethermatt

Applicants - Yejaman Hariyappa Lingappa and other Adikarnatakas (Adi Jambava Colony) Malavalli Town, Mandya District

Subject -Praying to issue stay orders to stop the construction of houses in Survey Nos 577 and 276 of Malavalli Town adjascent to A K Colony by the Muslims of Malavalli Town

Honoured Sir,

In continuation of our petition dated 16th December 1946, the petitioners humbly beg to submit as follows --

In spite of several petitions and personal representations of the petitioners to the Government as well as to all the authorities concerned, we regret to bring to your kind notice that their grievances have not been heard so far and no steps taken to stop the construction of houses by the muslim friends and resume the said spot for the extension of K K Colony prayed for by the petitioners as there would be communal ill-feelings between the Hindu Adikarnatakas and the Muslims there

2) The petitioners beg permission to bring to your honoured notice a few instances that took place between the Adikarnatakas and the Muslims

(a) A marriage procession was strongly opposed by the Muslims in 1941-42 and consequently a new road had to be formed from the petitioner's colony to Bluff Road on the same survey number and processions were conducted by taking Reserve Police protection

(b) Recently a girl of the petitioners colony was beaten severely by the Muslims and when petitioned to

Deputy Commissioner representing their grievances on 5th January 1947 the Muslim come to the locality after the return of the Deputy Commissioner and threatened them stating that they will do all possible troubles and the fact was referred to the Town Peace Committee and the Accused were warned by the committee very severely

The petitioners are experiencing very cruel treatment by the local Mohammadans who are planning to take possession of the said survey numbers for the construction of their houses and set aside the legitimate social and religious rights of the petitioners

In case the survey numbers are otherwise disposed off to the Muslims the petitioners will be enblocked by the Muslims and will lose all their social and religious freedom and consequently breach of peace and order in Town

Wherefore the petitioners humbly pray your honour to reserve the said survey numbers for the extension of the petitioners colony and save them from the communal troubles anticipated from the Muslim quarters Praying for early stay orders

We beg to remain,
Respected Sir,
Your most obedient servants
